eating healthier foods , grading papers,

exercising). Define each component with examples. Explain how all four components are important in order for self - regulation to be successful, and provide examples of how missing components (e.g. planning poorly, failing to take control and make changes) often cause us to get off-track and fail to meet

### Mobile Learning for Education: Benefits and Challenges

The research that has been done on the use of mobile apps like these has been very promising. For example, a recent study funded by the Department of Education, looked at the link between learning, and the PBS Kids educational gaming app, Martha Speaks Dog Party. The study found that after children had used the app every day for two

weeks, the vocabulary of Title 1 children ...
