As world allies fall to the wayside, a growing political faction from several nations sends a clear signal that

In the tradition of works by James Rollins, Preston and Child and Matthew Reilly, Ripper is the latest in an action-packed series about the nation's most secret agency—The Event Group. In 1887, the British Empire contracted brilliant American professor Lawrence Ambrose to create a mutant gene to turn an ordinary person into an aggressive fighting machine. But all too quickly, Ambrose was found to be behind a streak of vicious murders, and in a cover-up of massive proportions, Queen Victoria ordered

Instead, he escaped and returned home to America where he and his formula faded into history. But in 2012, a raid against a Mexican drug lord uncovers a small cache of antiquated notebooks containing long-buried instructions to create blind killers out of normal men. Enter the Event Group and Col. Jack Collins, who are desperate to stop one of their most feared enemies. Every Anxious Wave Mo Daviau
2016-02-09 Good guy Karl Bender is a thirty-something bar owner whose life lacks love and meaning. When he stumbles upon a time-travelling worm hole in his closet, Karl and his best friend Wayne develop a side business selling access to people who want to travel back in time to listen to

their favorite bands. It's a pretty ingenious plan, until Karl, intending to send Wayne to 1980, transports him back to 980 instead. Though Wayne sends texts extolling the quality of life in tenth century "Mannahatta," Karl is distraught that he can't bring his friend back. Enter brilliant, prickly, overweight astrophysicist, Lena Geduldig. Karl and Lena's connection is immediate. While they work on getting Wayne back, Karl and Lena fall in love -- with time travel, and each other. Unable to resist meddling with the past, Karl and Lena bounce around time. When Lena ultimately prevents her own long-ago rape, she alters the course of her life and threatens her future with Karl. A high-spirited and engaging novel, EVERY ANXIOUS WAVE plays ball with the big questions of

where we would go and who we would become if we could rewrite our pasts, as well as how to hold on to love across time.
