**The Mobile Revolution** Dan Steinbock 2005 "This book is essential reading for managers and marketers who must now "mobilize" their products, services and companies. It looks in depth at the impact of mobility in consumer and business markets, strategy, and across all industries. It shows how marketing innovation has been brought about by developments in mobile technologies. In the past, technology innovation drove the mobile business. Today, it is marketing innovation that drives the markets. This unique account is supported by in-depth interviews with some 80 leading executives and trendsetters."--BOOK JACKET. **iPad 2: The Missing Manual** J.D.
