Pois não Antônio Roberto Monteiro Simões

2010-01-01 Spanish speakers can learn Brazilian Portuguese much more rapidly than any other language, and thousands of students have used Antônio Simões's text/workbook Com licença: Brazilian Portuguese for Spanish Speakers to make the transition between the two languages. Recognizing the need for a text that incorporates current cultural references and the latest language pedagogy, Simões now offers *Pois não: Brazilian Portuguese Course for Spanish Speakers*, with Basic Reference Grammar. *Pois não* contrasts Portuguese and Spanish, which

accomplishes two main goals. It teaches the equivalent of one year of college Portuguese in one semester, three times a week, to Spanish speakers who also have a solid understanding of English.

Additionally, the book serves as a basic reference guide to Brazilian Portuguese for the same audience. *Pois não* can be used by students in the classroom or by independent learners. Users of the book may focus on the drills alone, concentrate on both the explanations and drills, or use the book as a reference for consultation only. Answers to all of the exercises are included in the book. A CD containing recordings by native Brazilian speakers of dialogues that appear in the book is included.

Python Basics Dan Bader 2021-03-16

Make the Leap From Beginner to Intermediate in Python... Python Basics: A Practical Introduction to Python 3 Your Complete Python Curriculum-With Exercises, Interactive Quizzes, and Sample Projects What should you learn about Python in the beginning to get a strong foundation? With Python Basics, you'll not only cover the core concepts you really

need to know, but you'll also learn them in the most efficient order with the help of practical exercises and interactive quizzes. You'll know enough to be dangerous with Python, fast! Who Should Read This Book If you're new to Python, you'll get a practical, step-by-step roadmap on developing your foundational skills. You'll be introduced to each concept and language feature in a logical order. Every step in this curriculum is explained and illustrated with short, clear code samples. Our goal with this book is to educate, not to impress or intimidate. If you're familiar with some basic programming concepts, you'll get a clear and well-tested introduction to Python. This is a practical introduction to Python that jumps right into the meat and potatoes without sacrificing substance. If you have prior experience with languages like VBA, PowerShell, R, Perl, C, C++, C#, Java, or Swift the numerous exercises within each chapter will fast-track your progress. If you're a seasoned developer, you'll get a Python 3 crash course that brings you up to speed with modern Python programming. Mix and match the chapters that interest you the most and use the interactive quizzes and review exercises to check your learning progress as you go along. If you're a self-starter completely new to coding, you'll get practical and motivating examples. You'll begin by installing Python and setting up a coding environment on your computer from scratch, and then continue from there. We'll get you coding right away so that you become competent and knowledgeable enough to solve real-world problems, fast. Develop a passion for programming by solving interesting problems with Python every day! If you're looking to break into a coding or data-science career, you'll pick up the practical foundations with this book. We won't just dump a boat load of theoretical information on you so you can "sink or swim"-instead you'll learn from hands-on, practical examples one step at a time. Each concept is broken down for you so you'll always know what you can do with it in practical terms. If you're interested in teaching

others "how to Python," this will be your guidebook. If you're looking to stoke the coding flame in your coworkers, kids, or relatives-use our material to teach them. All the sequencing has been done for you so you'll always know what to cover next and how to explain it. What Python Developers Say About The Book: "Go forth and learn this amazing language using this great book." - Michael Kennedy, Talk Python "The wording is casual, easy to understand, and makes the information flow well." - Thomas Wong, Pythonista "I floundered for a long time trying to teach myself. I slogged through dozens of incomplete online tutorials. I snoozed through hours of boring screencasts. I gave up on countless crafty books from big-time publishers. And then I found Real Python. The easy-to-follow, step-by-step instructions break the big concepts down into bite-sized chunks written in plain English. The authors never forget their audience and are consistently thorough and detailed in their explanations. I'm up and running now, but I constantly refer to the material for guidance." - Jared Nielsen, Pythonista

Espanhol Ana Cecília Cossi Bizon 2021-03-31 Mano a Mano: Português para Falantes de Espanhol vem preencher uma importante lacuna no mercado editorial: a carência de livros didáticos que, considerando as necessidades específicas de falantes de espanhol, favoreçam um desenvolvimento mais rápido de sua proficiência em português. A coleção reúne uma série de características favoráveis à aprendizagem do português em diferentes contextos (ensino médio, universidades, cursos livres): Convida o(a) aluno(a) a desenvolver sua proficiência em português ao mesmo tempo que forma uma imagem multifacetada do Brasil, em diálogo com suas próprias construções culturais, desconstruindo discursos estabilizados e ampliando seus horizontes; Favorece o trânsito por múltiplas práticas de letramento, em que circulam diferentes gêneros discursivos, oferecendo oportunidades para que o(a) estudante aprimore suas capacidades de linguagem em contextos reais, ou próximos a situações autênticas de interação; Sensibiliza o(a) aluno(a) para diferentes variedades da língua portuguesa; Permite ao(à) estudante desenvolver suas capacidades léxico-gramaticais e fonético-fonológicas de maneira reflexiva e contextualizada, levando em consideração necessidades específicas de falantes de espanhol; Propõe tarefas semelhantes às encontradas no Certificado de Proficiência em Língua Portuguesa para Estrangeiros (Celpe-Bras), do Ministério da Educação brasileiro; É acompanhado por dois cadernos complementares integrados, com explicações detalhadas referentes a recursos léxico-gramaticais e fonético-fonológicos, além de uma série de atividades; Disponibiliza online os vídeos e áudios de tarefas de compreensão oral e de atividades de pronúncia. Preparado para o desenvolvimento de um curso de até 60 horas em contexto de imersão, ou 90 horas de não-imersão, Mano a Mano, Volume 1 - Básico permite levar falantes de espanhol (como língua materna ou estrangeira/adicional) que nunca tiveram

contato significativo prévio com o português até o início do nível Intermediário do Celpe-Bras, do B1 do Quadro Europeu Comum de Referência para as Línguas, ou do Intermediário Médio do American Council on the Teaching of Foreign Languages.

Modern Italian Grammar Anna Proudfoot 2005-08-17 This second edition of the *Modern Italian Grammar: A Practical Guide* is an innovative reference guide to Italian, combining traditional and function-based grammar in a single volume.

Portuguese: An Essential Grammar Amelia P. Hutchinson 2004-06-01 A practical reference guide to the most important aspects of modern European and Brazilian Portuguese, it presents a fresh and accessible description of the language combining and function-based grammar.

Address in Portuguese and Spanish Martin Hummel 2020-07-20 The volume provides the first systematic comparative approach to the history of forms of address in Portuguese and Spanish, in their European and American varieties. Both languages share a common history—e.g., the personal union of Philipp II of Spain and Philipp I of Portugal; the parallel colonization of the Americas by Portugal and Spain; the long-term transformation from a feudal to a democratic system—in which crucial moments in the diachrony of address took place. To give one example, empirical data show that the puzzling late spread of Sp. usted ‘you (formal, polite)’ and Pt. você ‘you’ across America can be explained for both languages by the role of the political and military colonial administration. To explore these new insights, the volume relies on an innovative methodology, as it links traditional downstream diachrony with upstream diachronic reconstruction based on synchronic variation. Including theoretical reflections as well as fine-grained empirical studies, it brings together the most relevant authors in the field.

Say It Right in Brazilian Portuguese EPLS 2008-03-07 The revolutionary system that eliminates your common Brazilian Portuguese pronunciation mistakes The

innovative teachers at Easily Pronounced Language Systems (EPLS) have created a revolutionary pronunciation system: easy-to-read vowel symbols that, when combined with consonants, read in a straightforward manner, rather than in transliteration jargon. Almost instantly, you will be able to confidently pronounce and use 500 essential words and phrases in Brazilian Portuguese.

Com licença! Antônio R.M Simões 1992 The number of Spanish speakers in the United States has increased markedly in recent years, and this is especially true of the college population. At the same time, interest has been growing among this latter group in the study of the Portuguese language. *Com licença!*, a textbook for the teaching of first-year Brazilian Portuguese to college students familiar with Spanish, thus appears at a propitious time. Students with native or near-native proficiency in Spanish can learn Brazilian Portuguese much more rapidly than they would learn any other language. Antnio R. M. Simes has done extensive research on the pedagogy and theory of language, which he has linked directly to the planning and production of this textbook. The book combines such innovative and traditional approaches as constant comparison of both languages in all aspects from pronunciation to cultural components; exercises and gamelike activities to elucidate the differences between Portuguese and Spanish; and the use of Brazilian songs, popular sayings, and poems for their "sound value" as well as to illustrate Brazilian cultural values. *Com licença!* can be used in either regularly paced or highly intensive programs. Fred Ellison, professor of Portuguese at the University of Texas, says, "The like of Simes' book, so fresh and inviting in its approaches, has not been seen before in our field."

Modern Dutch Grammar Jenneke Oosterhoff 2014-11-27 *Modern Dutch Grammar: A Practical Guide* is an innovative reference guide to Dutch, combining traditional and function-based grammar in a single volume. With a strong

emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. The Grammar is divided into two parts. Part I covers traditional grammatical categories such as nouns and verbs. Part II is carefully organized around language functions and contexts such as: Giving and seeking information Describing processes and results Expressing attitudes, mental states and emotions Registers and style Formal and informal communication, e.g. youth talk Main features of the Grammar include: Clear, succinct and jargon-free explanations Extensive cross-referencing between the different sections Emphasis on areas of particular difficulty for learners of Dutch This is the ideal reference grammar for learners of Dutch at all levels, from elementary to advanced; no prior knowledge of grammatical terminology is assumed and it provides indices of grammatical terms and functions. This Grammar is complemented by a companion website featuring related exercises and activities to reinforce learning.

Modern Brazilian Portuguese Grammar

John Whitlam 2017-03-16 *Modern Brazilian Portuguese Grammar: A Practical Guide* is an innovative reference guide to Brazilian Portuguese, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers traditional grammatical categories such as agreement, nouns, verbs and adjectives. Part B is carefully organized around language functions covering all major communication situations such as establishing identity, making contact and expressing likes, dislikes and preferences. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Building on the success of the first edition, this second edition also includes: • An introduction to the history and current status of Brazilian Portuguese • Notes for Spanish speakers pointing out the main grammatical differences between the two languages • Additional explanation and exemplification of areas of particular difficulty for learners. A combination of reference grammar and practical usage manual, *Modern Brazilian Portuguese Grammar* is the ideal source for learners of Brazilian Portuguese at all levels, from beginner to advanced.

Modern German Grammar Ruth Whittle 2013-03-01 *Modern German Grammar: A Practical Guide, Third Edition* is an innovative reference guide to German, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers grammatical categories such as word order, nouns, verbs and adjectives. Part B is organised according to language functions and notions such as: making introductions asking for something to be done delivering a speech possibility satisfaction. The book addresses learners' practical needs and presents grammar in both a traditional and a communicative setting. New to this

edition, and building on feedback from the previous edition: The rules of the latest (and so far final) spelling reform have been implemented throughout. Examples of usage have been updated and consideration given to Swiss and Austrian variants. The chapter on register has been expanded and now includes youth language and frequently used Anglicisms in German. The Index now has even more key words; it has also been redesigned to differentiate between German words, grammar terms, and functions, thus making it more user-friendly. The Grammar assumes no previous grammatical training and is intended for all those who have a basic knowledge of German, from intermediate learners in schools and adult education to undergraduates taking German as a major or minor part of their studies. The Grammar is accompanied by a third edition of *Modern German Grammar Workbook* (ISBN 978-0-415-56725-1) which features exercises and activities directly linked to the Grammar. Ruth Whittle is Lecturer, John Klapper is Professor of Foreign Language Pedagogy, Katharina Glöckel is the Austrian Lektorin and Bill Dodd is Professor of Modern German Studies – all at the University of Birmingham. Christine Eckhard-Black is Tutor and Advisor in German at the Oxford University Language Centre.

Portuguese Sheila R. Ackerlind 2012-04-05 An essential, comprehensive guide for all who are interested in learning the Portuguese language and mastering its complexities, *Portuguese: A Reference Manual* supplements the phonetic and grammatical explanations offered in basic textbooks. While the Manual focuses on Brazilian Portuguese, it incorporates European Portuguese variants and thus provides a more complete description of the language. Accessible to non-linguists and novice language learners, as well as informative for instructors of Portuguese and specialists in other languages, this guide incorporates the Orthographic Accord (in effect since 2009-2010), which attempts to standardize Portuguese

orthography. The Manual reflects the language as it is currently taught at both the undergraduate and graduate levels by providing detailed explanations of the sound and writing systems and the grammar of the principal Portuguese dialects. A reference guide rather than a textbook, the Manual also provides extensive verb charts, as well as comparisons of Portuguese with English and Spanish.
