Reading the Sermons of Thomas Aquinas: A Beginner's Guide Randall B. Smith 2016-12-01

Preaching was immensely important in the medieval Church, and Thomas Aquinas expended much time and effort preaching. Today, however, Aquinas's sermons remain relatively unstudied and underappreciated. This

is largely because their sermo modernus style, typical of the thirteenth century, can appear odd and inaccessible to the modern reader. In Reading the Sermons of Thomas Aquinas, Randall Smith guides the reader through Aquinas's sermons, explaining their form and content. In the process, one comes to appreciate the sermons in their rhetorical brilliance, beauty, and profound spiritual depth while simultaneously being initiated into a fascinating world of thought concerning Scripture, language, and the human mind. The book also includes analytical outlines for all of Aquinas's extant sermons. Reading the Sermons of Thomas Aquinas: A Beginner's Guide is an indispensable volume for those interested in the

thought of Aquinas, in the intellectual and spiritual milieu in which he worked, and in the manifold ways of preaching the Gospel message.

World's Story 1: The Ancients (Teacher Guide)

Angela O'Dell 2018-03-23
Ancient history is fascinating, but it can

be difficult to find material that teaches it from a Christian perspective. Even harder is finding a history curriculum that captivates students. But Angela O'Dell's newly revised *The World's Story 1 - The Ancients* does both! Students will learn all about the ancient civilizations of the Middle East, Europe, Africa, Asia, and the Americas from a strong Biblical perspective. Focuses on History and interweaves a Christian perspective throughout. Features an engaging historical narrative. First volume in a three-book world history series for upper elementary and junior high students. The text covers Biblical history, also educating students about civilizations mentioned in the Bible, including ancient Egypt, ancient Israel, ancient Babylon, ancient Persia,

ancient Greece, and ancient Rome, up to the development of the early Church. It also discusses other ancient civilizations from around the world.

The One-on-One Reading and Writing Conference
Jennifer Berne 2015
Personal interactions are the single most effective way for teachers to understand and evaluate their student as learners.

Responding specifically to new Common Core State Standards in reading and writing, this book introduces pre- and inservice teachers to a method of one-on-one interaction the authors refer to as the “stretch conference.” This book provides detailed practical advice on the logistics of implementing these conferences during the busy school day, including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time. The authors argue that, rather than using valuable conference time for word-level concerns and editing, teachers should focus on more ambitious goals that will deepen (or “stretch”) students’ skills in comprehension and writing. This resource suggests where

conferences fit in with other important pieces of literacy instruction; introduces a variety of high-quality cues to use during conferences; and shows how conferences can function as formative assessment for reading and writing skills. Book Features: Written by two veteran teacher educators who conduct frequent workshops and professional development with teachers. Helps teachers adjust their instruction for the demands of Common Core Standards, specifically Reading Anchor Standards 1 and 10, and Writing Standards 1–5 and 10. Shows teachers how to schedule individual conferences within typical classroom time constraints. Includes many detailed examples of effective conferences taken from real classrooms. “A roadmap for engaging students in

conversations that will change their understanding. Frankly, it's an amazing resource and one that has changed my thinking about classroom instructional time." –From the Foreword by Douglas Fisher, San Diego State University "A critical opportunity to reflect on our practice, examining whether the content of our conferences is aligned with the rigorous expectations of the Common Core." –Sunday Cummins, literacy consultant and author
