The Twelfth Insight James Redfield 2011-02-15 The Twelfth Insight, the long-awaited fourth book in the beloved Celestine Series, offers readers new and profound spiritual wisdom. In this installment of the Celestine Series, we again follow our Hero and his close friend Wil, who

have just received a portion of another ancient and mysterious manuscript that describes a secret approach to spirituality that is silently arriving in the second decade of the 21st Century. But the manuscript is only available in fragments. To understand its full meaning for mankind, our Hero and Wil begin an urgent search to find the message in its entirety. As they embrace the power of Synchronicity and begin their search, they are confronted by powerful political forces and religious extremists that stand in the way of these spiritual revelations. Utilizing what he calls the "parable effect," and based on his own

sources, James Redfield explores the similarities and differences that exist among the world religions, revealing the essential messages contained within them that can energize our experience of spirituality-- and produce a new wave of integrity and reform that can transform our lives and our world.

On Living Kerry Egan 2017-05-04 A hospice chaplain's lessons on the meaning of life, from those who are leaving it What are the top regrets of the dying? That's what Kerry Egan, a hospice chaplain, learned as she listened to her patients on their deathbeds, witnessing what she calls the

"spiritual work of dying" - the work of finding or making meaning of one's life, the experiences it contained and the people who have touched it. In this book she recalls the stories she heard - stories of hope and regret, shame and pride, mystery and revelation, and secrets held too long. This isn't a book about dying - it's a book about living. Each of Egan's patients taught her something; in this moving and beautiful book, she imparts their poignant and profound lessons on how to live a life without regrets.

Saving the World Julia Alvarez 2007-04-27 Latina novelist Alma Huebner is suffering from writer's block and is years past the completion date for yet another of her bestselling family sagas. Her husband, Richard, works for a humanitarian organization dedicated to the health and prosperity of developing countries and wants her help on an extended AIDS assignment in the Dominican Republic. But Alma begs off joining him: the publisher is breathing down her neck. She promises to work hard and follow him a bit later. The truth is that Alma is seriously

sidetracked by a story she has stumbled across. It's the story of a much earlier medical do-gooder, Spaniard Francisco Xavier Balmis, who in 1803 undertook to vaccinate the populations of Spain's American colonies against smallpox. To do this, he required live "carriers" of the vaccine. Of greater interest to Alma is Isabel Sendales y Gómez, director of La Casa de Expósitos, who was asked to select twenty-two orphan boys to be the vaccine carriers. She agreed— with the stipulation that she would accompany the boys on the proposed two-year voyage. Her strength and courage inspire Alma, who finds herself becoming

obsessed with the details of Isabel's adventures. This resplendent novel-within-a-novel spins the disparate tales of two remarkable women, both of whom are swept along by machismo. In depicting their confrontation of the great scourges of their respective eras, Alvarez exposes the conflict between altruism and ambition.

From a Distant Relation Mikhah Yosef

Berdichevsky 2021-12-14 In his short life

(1865–1921), Mikhah Yosef Berdichevsky was a versatile and influential man of letters: an innovative Hebrew prose stylist; a collector of Jewish folklore; a scholar of ancient Jewish and Christian history. He was at once a peer of Friedrich Nietzsche, the Brothers Grimm, and a diverse circle of Jewish writers in the Russian Empire and German-speaking countries. As a Yiddish writer, however, he remains unknown to general readers. Written in 1902-1906, but not published in full until the 1920s, his stories were dismissed by prominent critics and viewed as out of step with the literary taste of his own time. Yet

these vivid portraits of a small Jewish town (shtetl) in the southern Russian Empire can speak powerfully to new audiences today. With enchanting humor, social satire, and verbal dexterity, *From a Distant Relation* captures the world of the shtetl in a sharp realist prose style. Themes of repressed desire, poverty, relations with non-Jews, and historic upheavals echo in a cast of memorable characters. Many of the stories and monologues feature strong female protagonists, while others shed light on misogyny in the culture of the shtetl. At the border between fiction and reportage, with a gritty underbelly and

a deceptive naïveté, Berdichevsky's stories explore dynamics of wealth, power, and gender in an intimate setting that resonates profoundly with contemporary Jewish life.
